Indian Green Building Council

Indian Green Building Council

APPLICATION:

Note: Test on hidden area before use on delicate surfaces.

Turn the nozzle of the trigger to spray.
Apply fine mist over the surface.
Ideally Spray 15-20 cm from surface.
Wipe off immediately with a clean & dry cloth

Use lint free towels or paper towel or macrofibre cloth to get complete clean and sparkling shine.

Change cleaning Cloth frequently.

Older surfaces and tougher stains may require multiple applications or extended contact time.
For electronic screens, spray on the cloth and use. Avoid direct spray.

TECHNICAL DATA

Appearance	Blue color, clear liquid free from suspended impurities
Specific gravity	0.970-0.990
pH	7.5-9.0

Limitations:

Do not use over the surfaces that are sensitive to water or alcohol.
Not suitable for tinted windows, LCD and plasma TV screens.

Cautions:

Unplug the electrical appliances before use.
Do not mix with any other cleaner products or solutions as harmful fumes may result.
It is advisable to wear protective gloves and glasses while using the product.
KEEP OUT OF REACH OF CHILDREN.
Refer to the MSDS for guidelines on safely handling this product.

PACKAGING: 450 ml

COVERAGE:

Coverage depends on the nature of the surface and intensity of stains on the surface.

Shelf Life:

Minimum Two (2) years when stored between >50°F (10°C) and <95°F (35°C) under shed, away from direct sunlight.

STORAGE:

After usage, close the container well sealed to avoid contamination and solvent loss. Store in original container only. Store and use between temperature 10° C and 35° C

MAINTENANCE:

NOTE: All cleaners, including the glass cleaner, are maintenance products; surfaces that are treated with these cleaners require careful and regular maintenance to ensure optimal performance.

For general maintenance and cleaning of ceramic and vitrified tiles, use MYK LATICRETE CLENZA TC, general purpose tile cleaner.

For Stones, use CLENZA MC (Marble & Stone Cleaner)
